1. Attached are the results of UNISCOM's first interview with subject who was suggested as a possible agent for the GUSMID operation by [] Due to the fact that it was a first interview, UNISCOM did not ask for the name or details about the courier SCHMIDT claims to send to Rumania twice a month, nor did he ask for the names of the three contacts who are said to head intelligence chains in Rumania. Should the prospects of a profitable operation make it worth while, these will, of course, be obtained at a later date as per MKK-A-17446.

2. It should be noted that SCHMIDT is in contact with Vasile COHARESCU in Munich. As in ANTEBOM, figure he was in touch with Kurt MECK, Van LANSEN, F PETERSEN and with Alexander ZUKOV who are both still in Munich. It is possible that he has remained in touch with them.
